May 18, 1926.

Mr. James J. Collier,
Jacksonville, Tex.

Dear Sir:

Enclosed find genealogy of the Collier family from the 14th century up to and including your great-grandfather and mine.

This copy you may keep as a family record. I trust you will appreciate it as I have sepnt more than $2,000 in getting up this record to date.

I am asking each branch of the children of Uncle Elford to get me up a genealogy of their particular branch and I trust you will hasten it back to me at the earliest possible moment. I enclose a blank that you can fill in and make the additions necessary to give the genealogy of your father's branch of the family up to the present time.

When you write me, which I trust you will do next week, tell me what conditions the cotton crops are in in your section.

With me most sincere regards for your family and yourself, I beg to remain

Yours cordially,

J. C. Collier.
